

The Limited Edition Subaru
Liberty GT tuned by STI

tuned by 

Subaru Liberty GT tuned by

Only 300 high performance special edition Liberty GT tuned by STI* have been produced offering:

- Increased power now up to 194kW with a new STI Engine Control Unit tested and developed by STI for Australian conditions
- Increased torque for improved responsiveness through the rev range
- 18" STI ENKEI alloy wheels with Pirelli P-Zero Rosso tyres
- Enhanced STI aerodynamics package including STI front lip spoiler and rear spoiler
- Limited edition badges with STI insignia, on engine cover and boot lid
- Manual transmission vehicles feature an STI short shift gear lever, for smooth, crisp gear changes
- Automatic transmission vehicles have a revised Transmission Control Unit (TCU) for a faster and sportier shift program
- Dual low back-pressure STI twin tip mufflers for a throaty exhaust note
- STI Brembo performance brakes upgrade including STI stainless mesh brake hoses
- Sporty black Alcantara/leather with embroidered STI stitching interior trim with red luminescent instrument cluster

Available in sedan and wagon in both 6-speed manual and 5-speed ^SPORTSHIFT automatic, the limited edition Liberty GT tuned by STI, is sure to go fast.

There's even a choice of two premium colours:

- Obsidian Black Pearl with charcoal wheels
- Brilliant Silver (metallic) with silver wheels

The limited edition model also comes standard with a comprehensive list of luxury appointments including:

- Dual zone climate control air conditioning
- Subaru Intelligent Drive (SI-Drive)
- Sunroof
- Audio steering wheel controls
- 14 speaker McIntosh premium sound system with 6 stack in-dash CD player/MP3 and WMA
- 8-way power driver's seat with dual memory settings
- Paddle shift steering wheel controls (auto version)
- Self-levelling Bi-Xenon headlights with pop-up washer

Liberty has received the highest possible 5 star occupant safety rating system in tests performed on behalf of ANCAP (the Australasian New Car Assessment Program). The Liberty GT passive and active safety features include:

- A six ring safety cell
- Dual front, dual front side and curtain air bags
- Subaru symmetrical All-Wheel Drive
- Advanced ABS brakes with electronic brake force distribution
- Immobiliser
- DataDot Technology
